

2014

GRAPHS

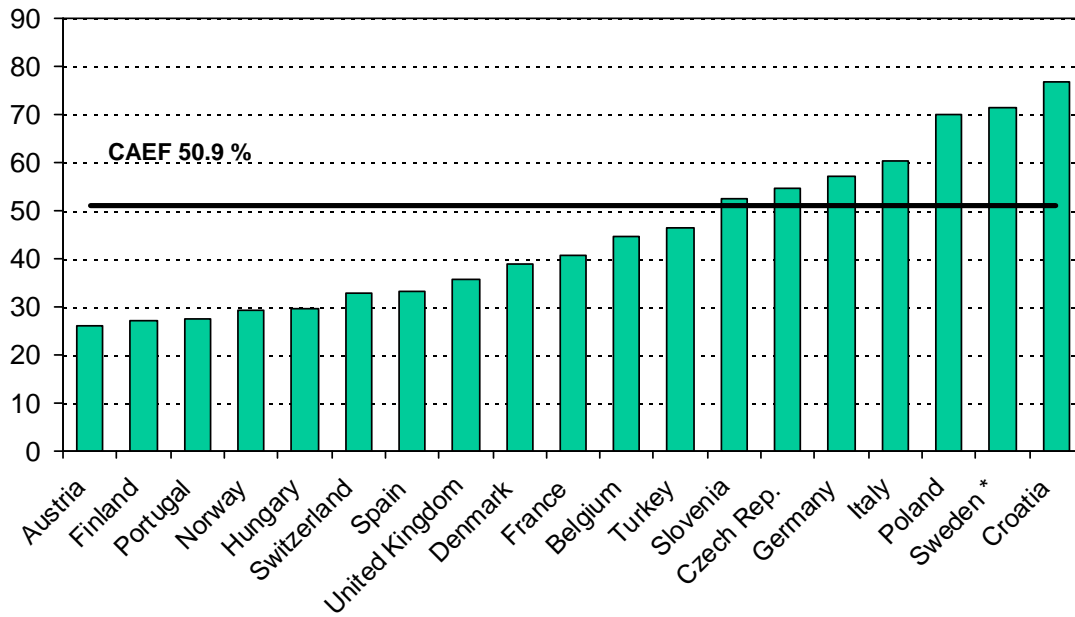

Production of Iron, Ductile Iron and Steel Castings in the European Foundry Industry 2014

Production of Non-Ferrous Metal Castings in the European Foundry Industry 2014

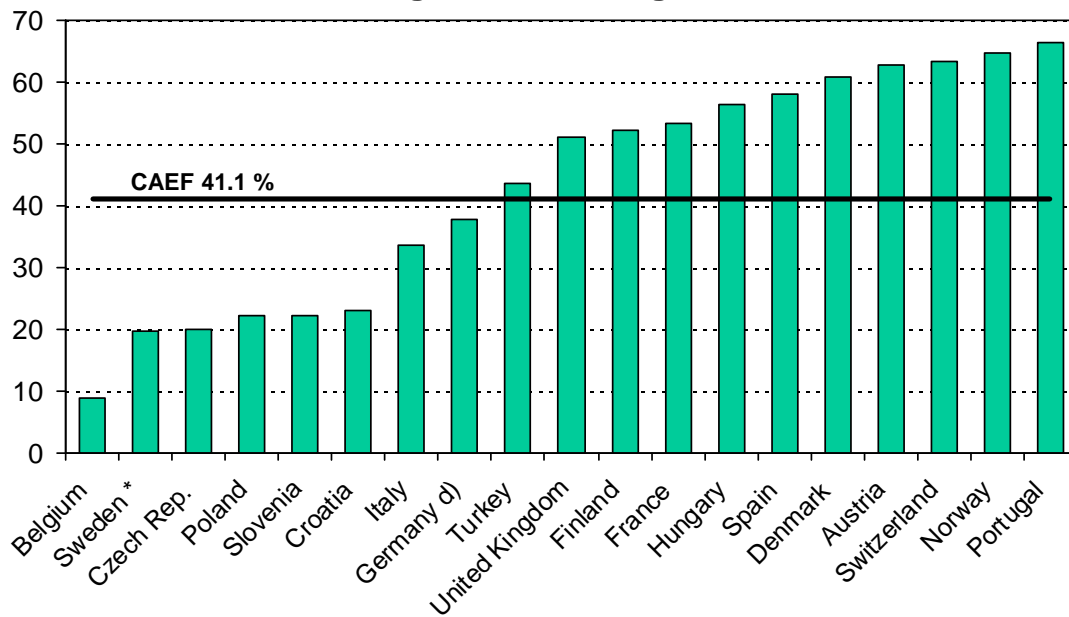

Iron Castings National Production Share of Iron, Ductile Iron and Steel Castings in Percentage 2014

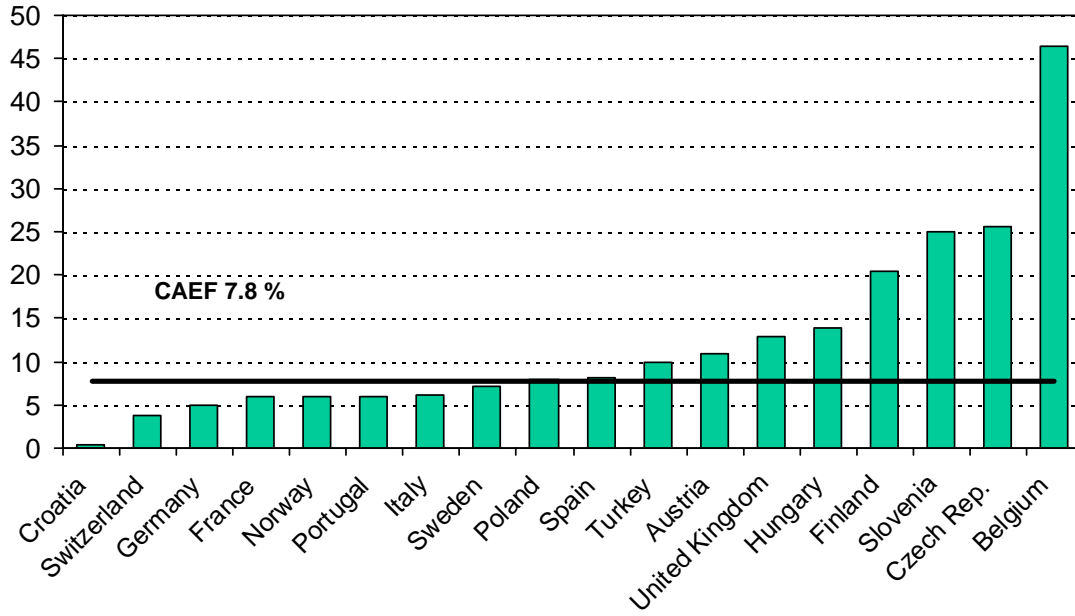

*) 2013

Ductile Iron Castings National Production Share of Iron, Ductile Iron and Steel Castings in Percentage 2014

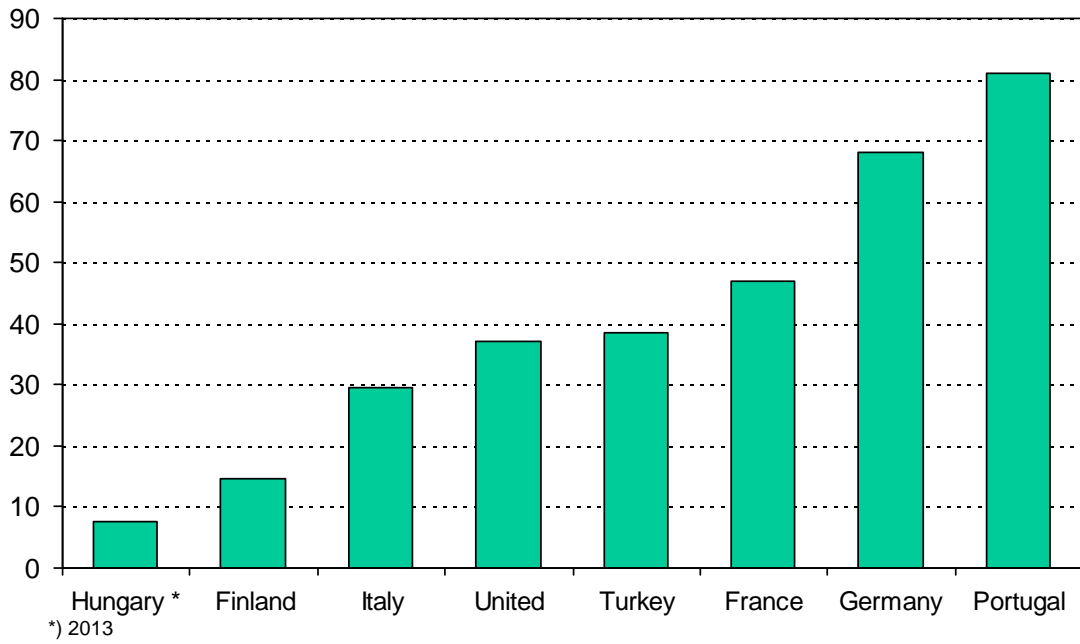

*) 2013

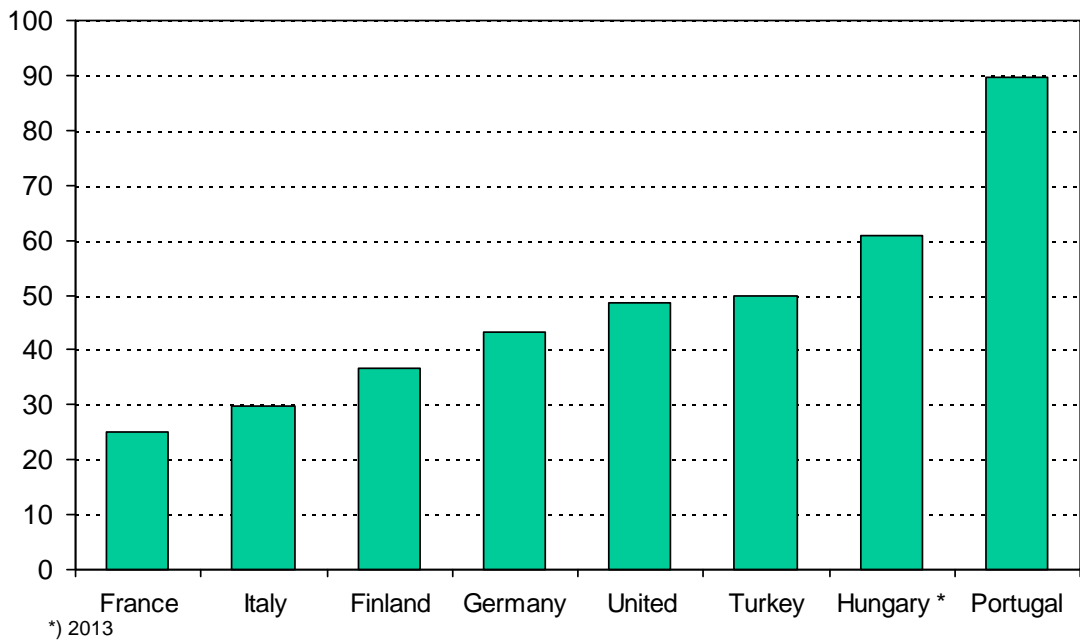

Steel Castings National Production Share of Iron, Ductile Iron and Steel Castings in Percentage 2014

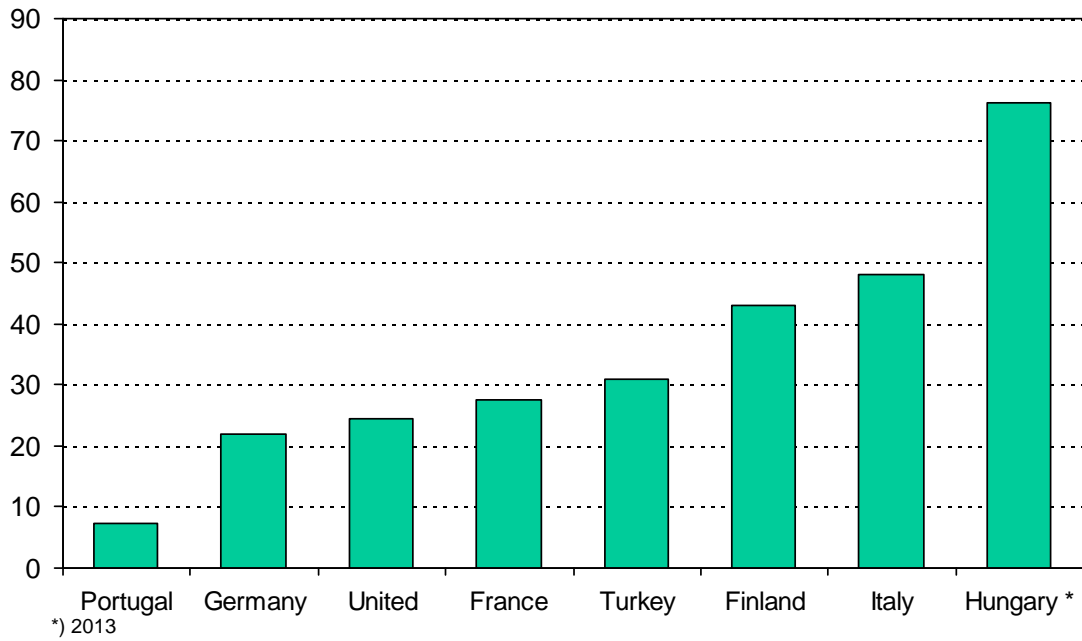

**Iron Castings for the Vehicle Industry
National Production Share in Percentage 2014**

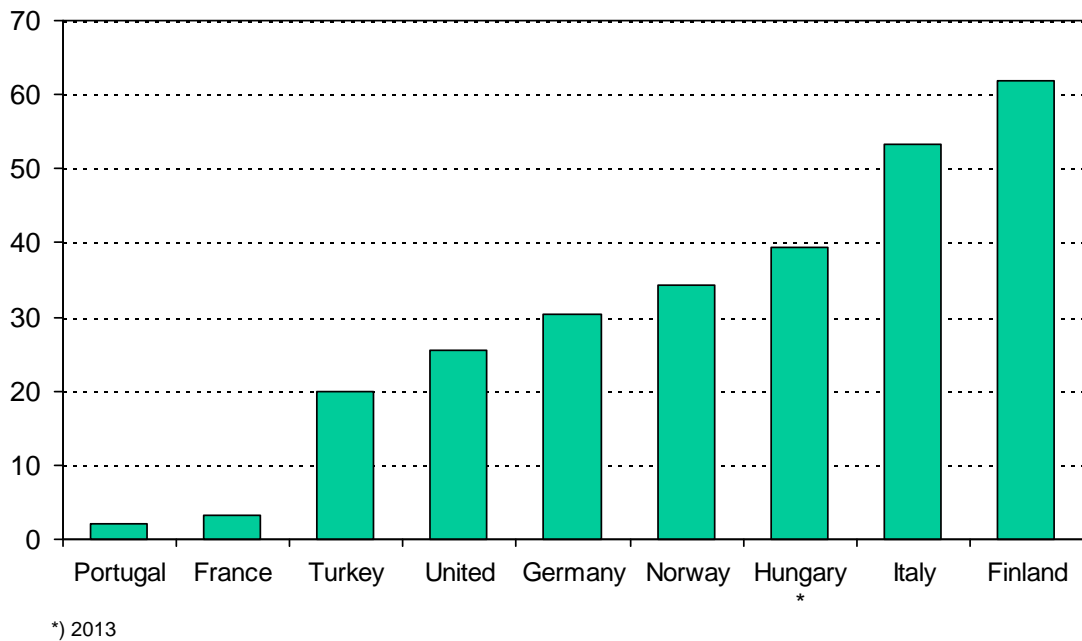

**Nodular Iron Castings for the Vehicle Industry
National Production Share in Percentage 2014**

Iron Castings for Engineering Plant and Machinery National Production Share in Percentage 2014

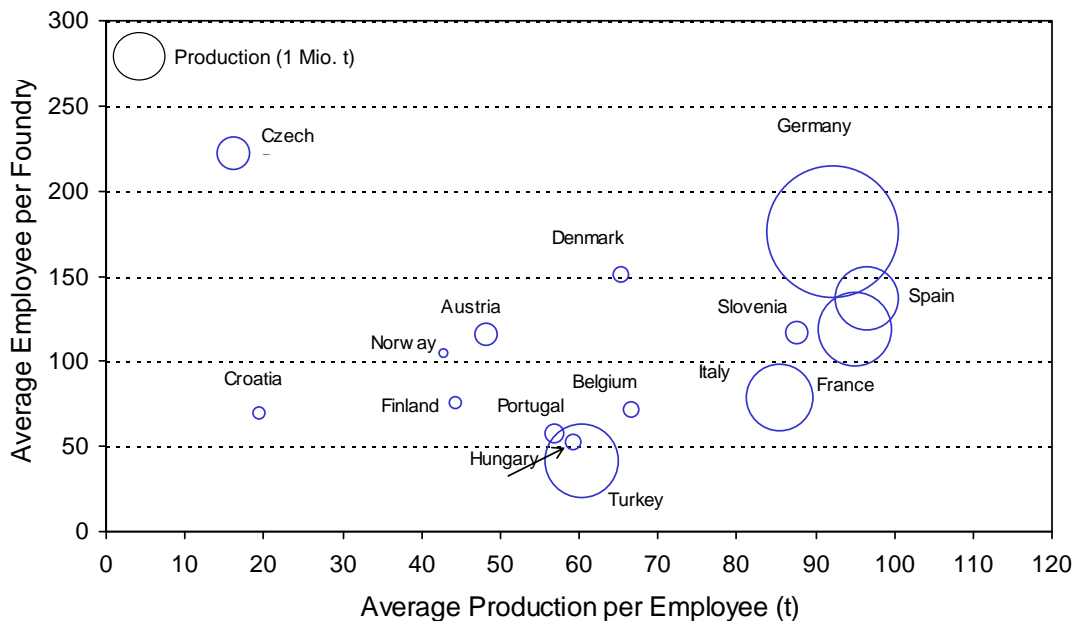

Nodular Iron Castings for Engineering Plant and Machinery National Production Share in Percentage 2014

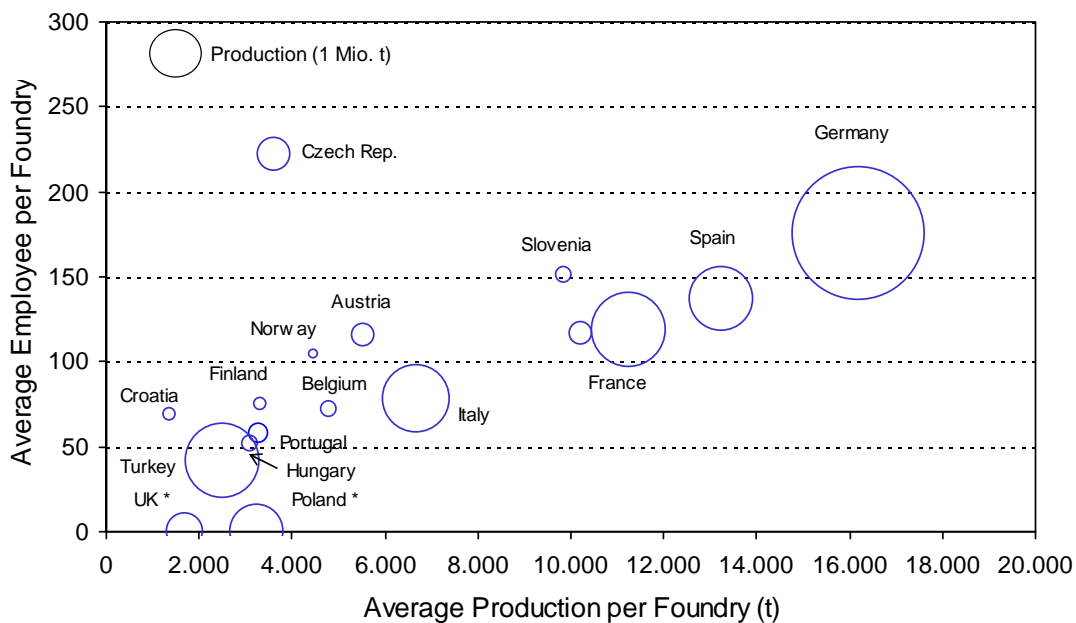

Average Production per Employee - Iron, Steel and Malleable Iron Castings

Production of Iron, Ductile Iron and Steel Castings in the European Foundry Industry 2014

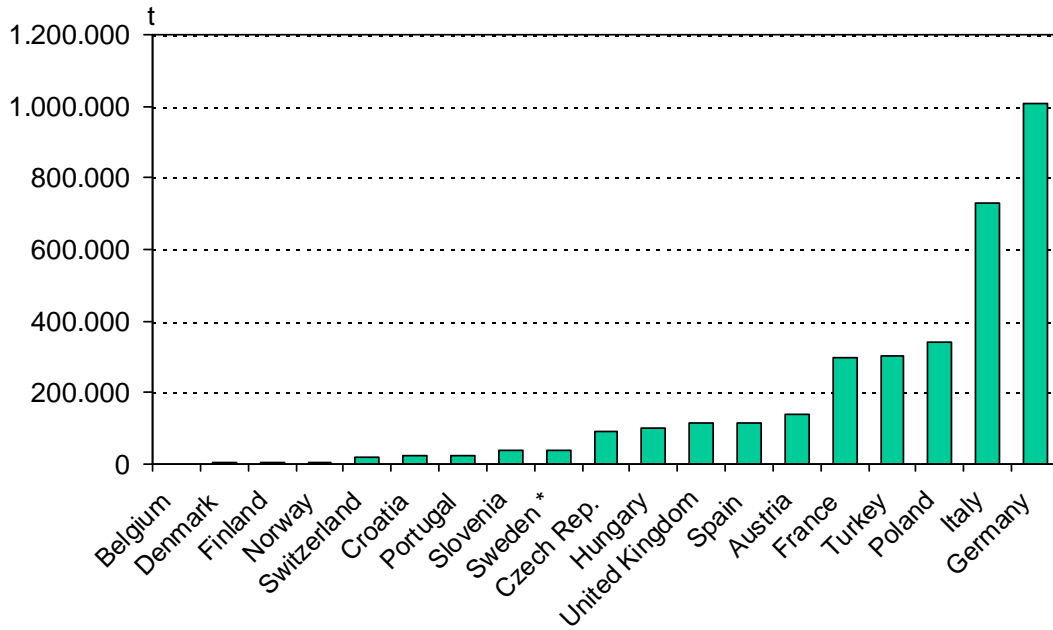

Average Production per Foundry - Iron, Steel and Malleable Iron Castings

Production of Iron, Ductile Iron and Steel Castings in the European Foundry Industry 2014

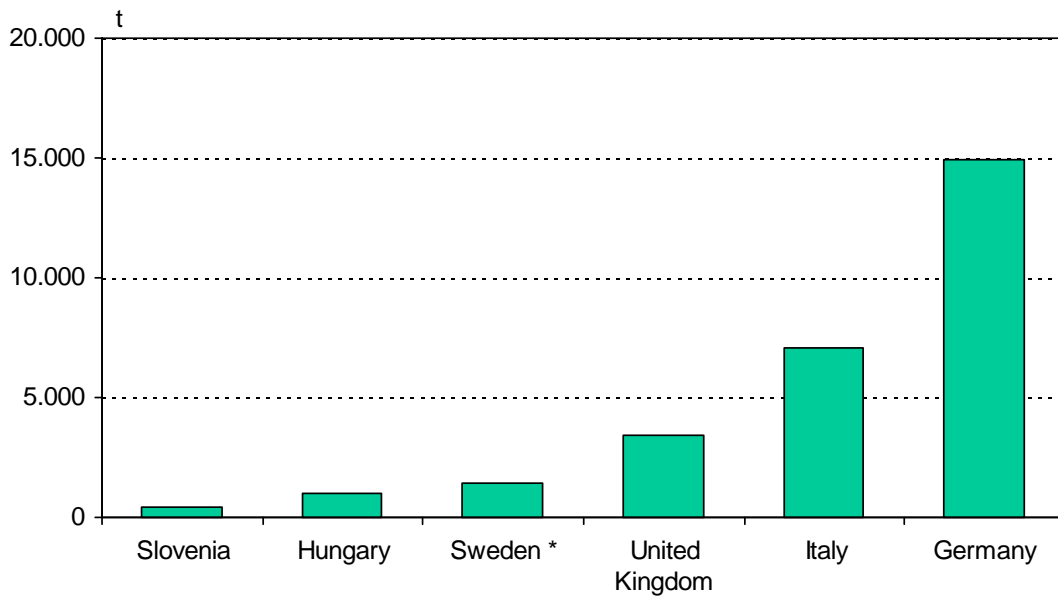

*) number of employees not available

Production of Light and Ultralight Castings in the European Foundry Industry 2014

*) 2013

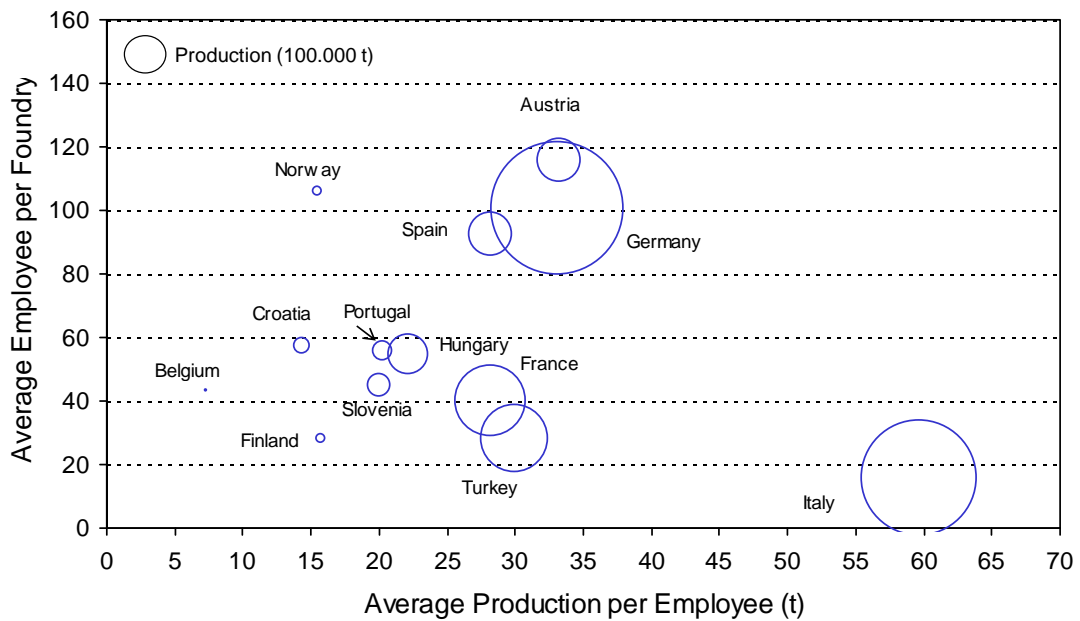

Major Producers of Magnesium Castings in the European Foundry Industry 2014

*) 2013

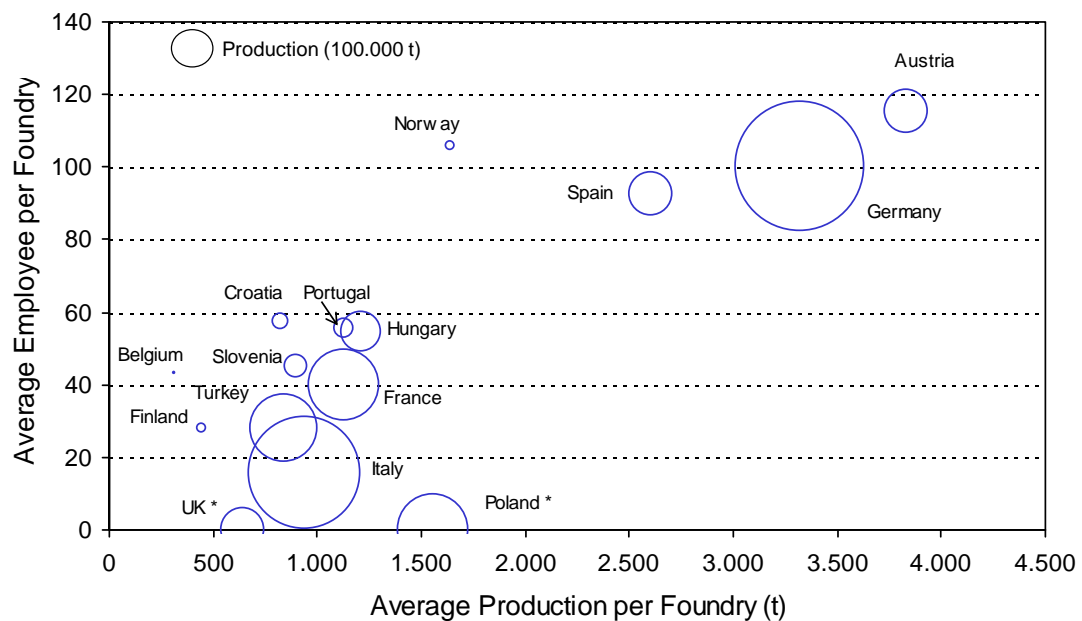

Average Production per Employee – Non-Ferrous Metal Castings

Production of Non-Ferrous Metal Castings in the European Foundry Industry 2014

Average Production per Foundry – Non-Ferrous Metal Castings

Production of Non-Ferrous Metal Castings in the European Foundry Industry 2014

*) number of employees not available

CAEF - The European Foundry Association

Commission No. 7

c/o Bundesverband der Deutschen Gießerei-Industrie

P.O. Box 10 19 61, 40010 Düsseldorf, Germany • Hansaallee 203, 40549 Düsseldorf, Germany
